Rothenburg ob der Tauber, Germany

Edinburgh, Scotland

Hadrian's Wall

Gent, Belgium

Happy New Year!

Can you believe another year has gone by? It is true; time does fly when you are having fun! We are still living in England. It is very nice to have such easy access to so many wonderful places in the world. So far we have visited Fussen and Rothenburg ob der Tauber, Germany, Gent, Belgium (by motorcycle!), Edinburgh, Scotland, Hadrian's Wall in northern England and several trips to London. We even went to the Olympic Bronze Medal game for the Women's Football. We plan to go to Paris in February while Michael is skiing in Italy with his school. In April we plan to go to Scotland and tag along with Michael's Boy Scout troop and hike some of the West Highland Way. In May we would like to go to Ireland. In July the Girl Scouts are exploring the Forest of Dean. The kids have a week off every 6-7 weeks, which makes it very easy to get away.

Heather was fortunate to get a job in Sonography and spends most of her days scanning babies. She also volunteers at the military hospital twice a month to keep up with her other scanning skills. Mark has a job and that is all we are allowed to say. He loves that we are in England and experiencing the culture. We all wish the back roads were a bit wider, though.

This summer we hope to return to the States for a visit. Details still need to be worked out, but we are looking at end of July and into August. We hope you are well and are enjoying your own adventures no matter how close to home they are!

It always seems to be raining and sunny, in exchange we see a lot of rainbows.

2012 London Olympics

Let the adventure continue!

The Einreinhof's

Mark, Heather, Michael, Kaitlyn, and Max

Michael

We are so pleased to announce that Michael is now an Eagle Scout! Michael is still active with Boy Scouts and is now the Senior Patrol Leader. He is studying to finish his GCSE's. These are a set of tests that prove that he knows the subjects he is taking. He could be finished with school this year but will continue on and study engineering next year. Michael will return to the States this summer to attend the Boy Scout National Jamboree in West Virginia.

Kaitlyn

Kaitlyn is active in Girl Scouts and is currently in the Cadette Troop. She has earned her Bronze Award and attended camp this past summer in Germany. She is also active in football (soccer) and ballet. In soccer she plays mid-defender and her team is currently tied for first in the league. In June her ballet class performed in the local amateur theater pantomime, Aladdin. If she can find the time she would like to learn English horseback riding.

Max

Max is enjoying Year 1 (Kindergarten) in school. He is reading very well and is learning French. He really likes his school and is starting to play football (soccer). He's starting to get an English accent too. He is enjoying his time in England and all the traveling as he gets to ride a lot of buses and trains! So many places are just a short train ride away.

Family History

Heather and her mom visited the ancestral stomping grounds of the Marvins. The picture to the right is St. Mary's Church in Great Bentley, Essex which dates back to the 11th century, where the Marvins worshiped before they emigrated from England to the US in 1635. Hopefully with more research the other branches of the family will come into focus and we can visit those ancestral stomping grounds!
